# DEDICATION

# Art & Knowledge

"The quality we have at Swadhisthan is the Creativity, which is very beautiful, which is very deep, which is absolutely spiritual.

Just see it and enjoy the joy of the Artist, without thinking about it. Then the Truth which is really poetry comes out the inner beauty just starts penetrating your vision.

How do you make out that this art is beautiful or not? Only Vibrations will tell you. It appeals to your Spirit, That is Universally appreciated."

# FIND YOUR CENTRE

Where is a home
when a heart remains uneasy?
Is a house a home
or a land, a place, a country?
How then is my heart uneasy?
Home is where the heart is
but where does a heart belong?
If a plant belongs to the earth
and a raindrop to the ocean
Then a heart must find rest
in its wonderous creation.
Love is where it comes from
and where it must return
At Gods feet alone
Is where the heart will find a Home.
